Are you in the scene?

Have you seen *Scene*, the journal of the SCDA? It is our forum and main line of communication with our members. It will keep you informed about all that is going on in the Association, including members' news and views.

Individual members and the secretaries of all member clubs receive a copy. Make sure you see one. The best way to do this is to join the SCDA as an individual member. You can do it tonight: get an application form from the cloakroom bar or from a Committee Member.
