

INTO THE  
WOODS

nce upon a  
time in a far-  
off kingdom  
lived a fair maiden, a sad  
young lad, and a childless  
baker with his wife...

featuring BBC Scotland's  
Neville Garden as the Narrator

The dark and dazzling "Into The Woods", with its malicious supernaturals, goofs, quarrels, confusions, spells, moonshine a theatrical magic of every kind, is an adult fairy tale, inviting comparisons with Shakespeare's "A Midsummer Night's Dream". Cinderella and Little Red Ridinghood rub shoulders with Witches and Wolves, Jack and Rapunzel encounter Giants and Princes, and the audience is transported to a fairytale world where the happy ending is by no means guaranteed...

invite you
