A MUSICAL NOT TO BE MISSED

15-28 AUGUST

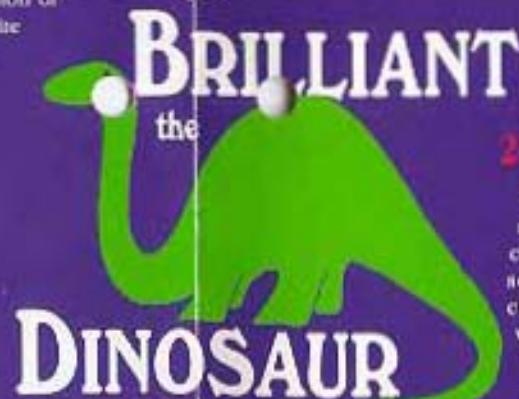

A tuneful and hilarious pantomime parody which won the 1982 SWET Award for Musical of the Year, tells the story of the 19th century Opium Wars.

Full of great songs, lively dance numbers and exuberant humour, it is a celebration of Victorian values and exposes all the hypocrisy, racism, drug-dealing, money worship and sexual repression of the time through the favourite entertainment form of the period, pantomime. Dick

Whittington, his man Jack, Sally the principal girl, Dodo the Dame, two pantomime horses, spectacular sets, effects and costumes, and even the traditional song-sheet are all brought on to tell the serious and finally devastating story of the single most profitable crop of the British East India Company.

The National Youth Music Theatre has won countless awards over the past 16 years. POPPY is directed by Mark Patenden and choreographed by Paul Madden, the same artistic team who brought you PAL JOEY, GUYS & DOLLS and BILLY.

17-28 AUGUST

Based on the novel by Mary Hayley Bell and the screenplay by Willis Hall and Keith Waterhouse and the film by Richard Attenborough and Bryan Forbes adapted by Russell Lahey and Richard Taylor with music and lyrics by Richard Taylor.

Three children from a small Lancashire village share a very special secret. They've got Jesus in their barn.

Mary Hayley Bell's unforgettable story on stage for the first time, with thirty-five of the UK's finest young actors and singers joining a forty-strong chorus from Edinburgh's George Heriot School. Russell Lahey and Richard Taylor who last worked together on ONCE UPON A WAR (1991) have used both the original novel and Keith Waterhouse and Willis Hall's highly acclaimed screenplay to capture all the magic, innocence, humour and suspense of one of Britain's best loved films. Those familiar with the film can enjoy again this evocative tale of a lost time and lost innocence while younger audiences will experience for the first time an enchanting adventure they will never forget.
