Transport:

The cloths will be rigged on the Wednesday - Sunday (15th - 19th December), so they would need to be with us on the Tuesday or Wednesday (14th or 15th December). Could you arrange to have the cloths delivered to my house (address below) on either of these dates? When the show has finished, the cloths can be picked up by you - provisionally on Thursday, 23rd December (**from the School**). Alternatively, when collect deliver the “Sound of Music” set from the Church Hill Theatre (a completely different show, the only connection being I am lighting both!!), we could arrange to return these cloths at the same time, saving on money. Please advise on this before the run of the show.

Michael.
