1	30m 63A 3-phase extension	
1	Red Box model 8 (63A 3-phase plug to 2 x 63A 3-phase sockets)	

Notes:

- 1 The alloy scaff pole has to be 5m, as 6m will not fit in the roof space. Please advise if you cannot supply 5m poles.

If easier, I have listed all the changes to the contract you sent out to me (EDCN: 0002942):

Page 1:

- 6m alloy pole substituted for 5m alloy pole (see note 1 above).
- 63A 3-phase tail substituted for 125A 3-phase tail (still to be fitted by us).
- 63A 3-phase RCCD substituted for 125A 3-phase RCCD.
- 63A (3p) to 3 x 63A (3p) deleted.
- There are 6 TECPRO headset/beltpack units, not 1.
- All comms cable deleted (1 x 30m XLR3, 1 x 20m XLR3, 6 x 10m XLR3).

Page 2:

- There are now 30 4/5m patch tails, not 35.
- There are now 5 10m 15A TRS cables, not 15.
- There are now 5 6-way 20m Lectriflex/Harting multicores, not 4.
- There are now 7 6-way female spiders, not 6.
- There are now 7 6-way male spiders, not 6.

Page 3:

- 30m 63A (3p) cable substituted for 35m 200A (3p) cable.
- Red box Model 8 (63A 3p plug to 2 x 63A 3p sockets) substituted for camlock board.
- 125A 3p plug to camlock jumper deleted.
- 18-way Act 6+ touring rack (DMX, 63A 3p in) added to hire.

The above to be delivered to Inverleith Church Hall on the morning of 02/08/96, and collected on 18/08/96 (time to be arranged). This delivery will presumably coincide with the delivery and collection of staging units/music stands, etc., and will be charged for accordingly.

The above hire has been approved by FCT, and should be taken as a firm booking. Please contact me if there are any problems - you can get me during office hours on 523 6025 (Royal Bank of Scotland Registrars - direct line). Thanks again for all your help and attention for this.
